# Nationwide Goldfish Societies UK 8<sup>th</sup> National Fancy Goldfish Show

Dear All.

On behalf of the Nationwide Goldfish Societies UK, I would like to thank everyone who helped to make the day a success, particularly the people who helped put up and take down the show, Also those who helped with the Canteen, the Auction, the Raffle and the Judging. Thanks to Andrew Barton for the photography and putting the results newsletter together, special thanks to Graham Turner who did an excellent job as show secretary and Ian Mildon our new Show Manager. Finally not forgetting our sponcers "Vitalis" who generously supported the show with their range of fish foods, which are always warmly received.
